To everyone who came to St David's, Tirabad on 14<sup>th</sup> December - a huge vote of thanks, the church was beautifully decorated, full of light and full of people from the village, surrounding areas and those who now live further afield.

The service was traditional, the singing was great and the social time afterwards really heartening. Thank you to everyone who made this event possible.

## "CAROLS AROUND THE TREE"

Hi All!

I would like to thank all those who were present at our Church/Community "Carols around the Tree" for yet another year. A special thanks to James Davies (Jim) and the "Tractor Boys" for a splendid Display which seems to get better every year!

Thank you also to Santa (John McMahon). Well done, great job.

Also a big thank you to Heather Davis and her Band, we couldn't do it without you.

I would also like to thank Catherine and Lindsay and the Staff at the Neuadd Arms for letting us use the hotel and their support each year.

This year we were happy to have the support of the Festival Committee, who along with others, contributed to the refreshments and gifts for the children.

Last but not least I would like to thank all those who attended, making the evening a success.

Hope to see you next year.

## POWYS NATIONAL GARDEN SCHEME

2024 was another landmark year for the National Garden Scheme with the charity donating a record £3,501,227 to some of the UK's best-loved nursing and health charities. The impact of these donations to our major nursing and health beneficiaries means thousands of people who live with health conditions such as cancer or Parkinson's, who have poor mental health, or who struggle financially as unpaid carers, have been supported by our funding of the nurses, health professionals and case workers who support them. Our funding also provides support to those in the Gardens and Health sector, to community gardens and to those working in horticulture. Our Community Garden Grants funded 89 new projects with a total of £232,000 in 2024. Four recipients were in Powys - Apple Blossom Social Enterprise CIC, £2,207; Cultivate (Cwm Harry) Cyfyngedig, £4,855; Senni Village Hall, £1,132 and The Fathom Trust, £2,580. The funding supports community allotments and gardens, rehabilitation and regeneration projects, as well as gardens designed to support mental health and wellbeing, and training and development for young people. Read the full Impact Report at [ngs.org.uk/our-impact-in-2024-a-record-3501227-donation-is-helping-to-change-lives](https://ngs.org.uk/our-impact-in-2024-a-record-3501227-donation-is-helping-to-change-lives)

The impact of this long-term commitment was celebrated in 2024 by our milestone of 40 years of continuous funding for Macmillan Cancer Support, during which time we gave more than £19.6 million.

Did you know we support Queen's Nurses from The Queen's Nursing Institute to run garden-related projects in their communities too? Since 2021, as part of the NGS Elsie Wagg (Innovation) Scholarship programme, we've supported 15 projects that have been changing lives. Read the latest report and more about the programme at [ngs.org.uk/ngs-elsie-wagg-innovation-scholarship-programme-report](https://ngs.org.uk/ngs-elsie-wagg-innovation-scholarship-programme-report)

Details of early opening gardens which break the winter sleep with blankets of snowdrops and early spring bulbs can be found on [findagarden.ngs.org.uk](https://findagarden.ngs.org.uk)

We now look forward to the launch of the Garden Visitor's Handbook for 2025 in February: copies can be ordered from [ngs.org.uk/shop](https://ngs.org.uk/shop). Powys has three new village openings and 18 open by arrangement gardens of particular interest to groups.

We have finally secured the lease on the old TIC building on the Groe car park. We will not be moving our office base or our charity shop as this building will be for community use. Groups and organisations can hire it for sessions on a regular or occasional basis. This will benefit the local community by making information and support easier to access.

The building is accessible and we will be carrying out refurbishment and installing a kitchen so our lunch club can be held here. There will also be casual “drop in for a cuppa” sessions for anyone to attend.

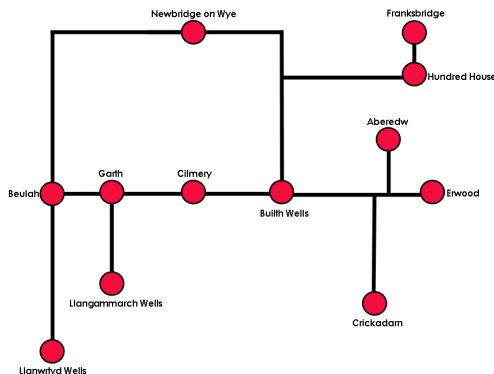

Our Annual Community Information Fair will be held at Wyeside Arts Centre on Wednesday 16 October 11a.m. – 2p.m. Last year 24 organisations attended to showcase their services and it was a very useful and interesting event with free tea/coffee and homemade cakes.

Builth Wells Community Support continues to deliver their established services and Volunteers are always needed to help deliver these services, please contact us for more information.

Builth & Llanwrtyd Wells Home Support is an early intervention and prevention service, helping individuals to live at home with confidence, in good health, independently and safely. Services are free and available to those over the age of 50.

For more information, please contact us on 01982 553004 or [info@builthcs.co.uk](mailto:info@builthcs.co.uk).

Our services are available to everyone who lives in the area shown on map:

## Llanwrtyd Wells Community Transport (LWCT)

LWCT provides a personal service to all our members requiring individual transport facilities to take them to medical appointments, shopping, taking much loved pets for treatment, taking them to visit friends and relatives and any other journey they would like to make. We also have a dedicated shopping service where we can shop for people who are unable to manage a trip to the shops themselves. Members can place their shopping order and our drivers shop and deliver. We can also collect and deliver prescriptions, pre ordered take away food, and offer assisted transport for whatever reason it is needed.

We have a disabled access vehicle making our service available to everyone. We make a point of assisting any member or business we can where based in our locality. We cover Llanwrtyd Wells, Abergwesyn, Cefn Gorwydd, Tirabad, Llangammarch Wells, Cilmerly, Beulah, Garth and Llandrindod Wells and all surrounding villages.

The volunteers who cover our Volunteer Drivers Scheme either use their own car or ones belonging to LWCT. We also have a small fleet of minibuses available for hire by local community groups and other charities and not for profit organisations. These can be hired either with or without a driver, as long as conditions of hire are met.

LWCT is always happy to welcome enquiries about transport, if we can't help, we can signpost you to someone that can. We are also always happy to welcome new volunteers into the team, whether you want to become a driver, help with administrative duties or anything in between. Members, volunteers and paid staff are the heart of LWCT and by joining us you become part of a family.

To enquire about our services please call Laura Burns, General Manager on 01982 552727 or for shopping John McMahon, Volunteer Driver on 07904 816521.
